

BAM (BUSINESS MARKETING ADMINISTRATION)

ABOUT

BAM is dedicated solely to current students enrolled in Business Marketing Administration. It is a way for students from 1st year, 2nd year and 3rd year to communicate and plan events based around the program. Members will have opportunities to ask Alumni questions about life after graduation, future jobs, and anything that concerns them or interests them. 3rd year students will also be available to help students decide if they want to take the 3 year program and if it would be beneficial for them in the future. We hope to have fundraising, events and meetings as often as possible to make this club as effective and fun as possible.
