## FREE THE CHILDREN

---

### ABOUT

Free The Children is an international charity and educational partner that believes in a world where all children are free to achieve their fullest potential as agents of change. Through the sustainable project "Adopt a Village", Students of UOIT and DC will have the opportunity to support individuals in need through ALL 5 pillars; Education, Clean Water, Health, Alternative Income, and Food Security. Working as a team, we can surely help raise awareness and make a significant impact towards undeveloped communities.
